Critical Intelligence Problems Committee

DD/ICS FYI. We should move the original along to the DCI.
Office of the Chairman
Note for DD/ICS

Eloise:

This is a recurring problem, usually the result of a ^{agency} courier ~~staffer~~ not steeped in the peculiarities of Congressional organization.

The delivery attributed to the IC Staff is a bit ~~unusual~~. ^{occurred} As we can tell, about two months ago, the CIA courier picked up a document from ~~Walters~~ ^{AT} ~~Walters~~'s office in OEOB 345 to be delivered to Mr Stevens and Mr Addabo. For some reason it was in an ICS envelope. The courier took it to the member's personal offices, not the specially designated rooms. I believe it might be useful to STAT put out a memo from ~~the~~ ^{you} DCI telling people, once again, to be careful when delivering material to the Hill. I am sure I'll draft it.
